

Dear Friends,

Greetings to you. In India, the school calendar year has already drawn to a close and hence it feels appropriate to provide you all with an update on CRHD's progress.

In March, the pupils of Kid's Paradise School concluded the academic year by sitting their annual exams. We are delighted to announce that all students achieved First Class grades (above 60% in all subjects). We are, indebted to the dedication of our teachers and the hard work students in producing these results for Kid's Paradise. During this period, the children also had many extracurricular activities. They are now enjoying their well-deserved summer vacation, which

runs until the 28th of May. In anticipation of the upcoming academic year, CRHD India has already begun advertising Kid's Paradise's curriculum and facilities to prospective students and their parents in the local village, and nearby areas. The students from both Kid's Paradise and the Nutan Tailoring Centre send their greetings and thanks for your efforts.

On behalf of CRHD UK, we too offer our heart-felt thanks to everyone in the UK and Switzerland who organised fundraising events and/or donated to our charity. It is touching to see so many of you believing in CRHD's vision, and it is our earnest hope that you will continue to pray for CRHD, and spread word of our work. Your donations are more crucial than ever. The cost of living has risen in India as it has in the UK, and we have pledged to raise the salary of our teaching staff to at least 50% of the Indian government teaching wage. To see this pledge through in the coming years, we rely solely on your goodwill. No amount is too small.

We pray that this next academic year may be even more fruitful so that the lives of the women and children who benefit from CRHD may continue to be improved, by placing education into their hands.

Yours in Christ,

Gill and Joseph
